Welcome to Elementary Sports! The goal of Mishawaka Athletics is to give your son or daughter a first class experience so they can see what it's like to play on a team and represent their school. We give young student athletes the chance to compete with kids from other Mishawaka Schools while they learn from coaches and officials. This is the time to learn how to be a good sport and most of all have fun! Our coaches understand that a positive experience is the goal and we don't want to discourage anyone from participating in the future.

At Mishawaka, we promote multi-sport student athletes. It's important that "student" comes first in that equation. Playing sports is a privilege that comes with doing the right things in the classroom and at home. You should be proud that your student athlete is representing one of our Mishawaka schools. Please keep in mind when they are competing, they are playing against other Future Cavemen. The "One Mishawaka" thought process should come into play as we are all working together!

While you will all want to support your child by sitting in the stands. Please remember we can't host these events without your help. Contact Linda Malicki from Mishawaka Parent Group to find out how you can volunteer. Her email is: pooh122093@aol.com

Thanks for your support! GO CAVEMEN!!
