Creating a Culture of Excellence

March 20, 2020

Good afternoon SCM Family,

As we informed you yesterday, Governor Holcomb announced the closure of all Indiana schools through May 1, 2020, and [cancellation of all Indiana's standardized tests](#).

Even though schools will be closed, we want to continue to provide learning opportunities for our students and stay connected with families and students. Beginning Monday, March 30, 2020, School City of Mishawaka will maintain the schedule of SCM Remote Learning Days and approved school closure days from the State of Indiana.

SCM is proud to be offering all children under the age of 18 a hot lunch and will continue to do so through May 1, 2020, including Spring Break. Beginning Monday, March 23, 2020, they will also receive a grab and go breakfast to take with their lunch from 11:00 a.m. - 1:00 p.m.

As a reminder, in order to provide the highest quality of customer service, families and students are encouraged to reach out to the students' teachers with ***all*** questions ***before*** contacting the school office or SCM Technology Department. Teachers will be able to provide the most timely support and will direct student/family needs to the appropriate SCM personnel, as needed.

We are facing circumstances and experiences that none of us have ever faced. I could not be more proud of the collective efforts of our staff and community during these challenging times, #TheMishawakaWay has risen to the occasion.
