

Mishawaka High School Honors English Signature Sheet

To the parent/guardian of an honors level student:

The accelerated English course that your student is enrolled in for the fall semester, junior honors English, requires summer reading and various assignments which are delineated in the attached handout.

It is the responsibility of the student to fulfill the summer work obligation **prior to the start of school**. Students will **not** be removed from the class for failure to complete summer work; however, there will be a significant deduction of points in the first six weeks.

Please refer to the attached handout which outlines the expectations and penalties relating to the course that your student will be taking. If your child is not willing or able to complete summer reading and assignments, he/she should not enroll in the accelerated class at this time. If the student is willing to do the required work, then please sign below and encourage the work to be completed in a timely manner. This paper should be returned to the teacher who assigned the summer reading, Mr. Halicki in room 262, by May 12, 2017.

Thank you for your support and for your investment in your child's education.
