

C.A.P. Program

CITIZENS IN ALLIANCE WITH POLICE

Excerpts from Mayor Dave Wood's articles from earlier Mishawaka Communicators:

Here's how the C.A.P. program works: the Mishawaka Police Dept. seeks volunteers. Once weather permits, teams of two volunteers patrol the Riverwalk and adjacent parks. The primary function of the C.A.P. volunteers is to act as the eyes and ears of the Mishawaka Police and Parks Dept. We equip them with a golf cart, a radio and a uniform (shirt). The volunteers serve as ambassadors for the City of Mishawaka to greet park patrons and assist them in any way they can. While on duty, they actively patrol and report any potential criminal activity to the 9-1-1 communications center so police officers may be dispatched to take care of the problem. They handle all matters in a friendly and diplomatic fashion. Many of our volunteers are senior citizens and find this a rewarding way to give back to their city.

C.A.P. volunteers have reduced the amount of vandalism and crime in our city parks and Riverwalk simply by their presence. They are always eager to lend a helping hand to anyone in need of assistance, say hi to kids or pass out a dog treat to our furry patrons while visiting our parks. The teams patrol the parks seven days a week (from late spring to late October) in the evenings, typically 5:00 to 9:00 pm as well as some afternoons. The commitment given by the volunteers is twice a month, one four-hour shift every other week. Only a small amount of training is needed. The effectiveness of the program is achieved by the responsiveness of the volunteers to fulfill their commitment to their assigned time slots. I could not be more proud of this unique program and especially the volunteers that give back to their city. Mishawaka is a better, safer place because of their selfless service with a hometown touch.

The program begins its 16th season of operation in 2023. Those interested in donating their time to this project are encouraged to attend the spring organizational meeting. It will be held at 5:30 p.m., March 29th at the Mishawaka Police Dept. (**Note: An RSVP would be appreciated but not required to come to the meeting.**) If anyone is interested but unable to attend the meeting they may contact Bruce Faltynski at bfaltynski@mishawaka.in.gov or assistant, Paulette Steinke at psteinke@mishawaka.in.gov or 574-255-4419 for more information.

2023 Arizona Alumni Reunion

The 19th annual (almost) Arizona MHS Alumni luncheon was held on Saturday, March 4, at the Olive Garden in Tempe, AZ. There were 24 people who registered, but only 21 were in attendance.

Elsie (Belli) Van Bruaene 1943 won the prize for the earliest graduate.

Pat (McGee) Shaler 1968 won the prize for the most recent graduate and the one who RSVP'd first.

Tom Miller 1957 drove the farthest from Green Valley, AZ, for the luncheon (126 miles one way).

Patrick Serge 1952 came in 2nd for driving 99 miles one way from Tucson.

The class of 1956 won the prize for having the most alumni in attendance: Alfred Cocanower, Barbara (Stayton) Kerekes & Martha (Endicott) Pierce.

Several people spoke about recent trips to Mishawaka and how the school and city has changed.

J.B. Rivard 1948 shared the story about the two books that he has written.

Martha (Endicott) Pierce 1956 has also written a book. J.B.'s and Martha's books were offered for sale.

Others in attendance were:

Carol (Bailey) Lippincott 1959

Joe Emmons 1961

Alumni, author, J.B. Rivard '48 often sends me information on his newest book to share in the newsletter. This time he sent me an article recently written about him and two of his books in *The Mesa Tribune*. Excerpts of the article are below. J.B. would be glad to answer any questions or supply information.

At age 92, Navy veteran J.B. Rivard uses cinematic storytelling for his newest book that almost went up in smoke. "Low on Gas-High on Sky" about record-setting aviator Nick Mamer, partly inspired Rivard's newest novel that debuts on Feb. 7.

His "Dead Heat to Destiny" follows the lives and loves of three people imperiled in the cataclysm of WWI. But both books almost never happened due in part to the 1973 fire at the National Personnel Records Center just outside St. Louis, Missouri, that destroyed 22 million veterans' personal records. Mamer's grandchildren held onto a trunk full of memorabilia-including thousands of newspaper clippings, photos and documents-that gave a real insight to his military service and then inspired Rivard's novel.

J.B. spent four years in the U.S. Navy starting in 1951 and draws upon his own service as inspiration for penning "historically accurate fiction and nonfiction". He said he was "volun-told" to serve as a ground school instructor where he taught airplane instruments and radio navigation. That introduced him to aviation during the Korean War, when Naval Aviation was switching from propeller driven airplanes to jets.

Rivard spent the good part of two years working on the novel and doesn't have any plans for a sequel, but enjoys writing about military history including a series last year about the 60th anniversary of "above ground" nuclear testing in American Legion Magazine. If you'd like to read the whole article, go to themesatribune.com dated 02-05-23.

Available on Amazon or in other fine book stores.

PAVE THE WAY

School City of Mishawaka has built a lasting tribute to the tradition of Mishawaka High School. Alumni Plaza is the newly renovated courtyard leading to Steele Stadium. This is a beautiful external space that has become a place for students, alumni, and the community that encompasses the "Spirit of Mishawaka". Personalized 4"x8" bricks are great gifts to: celebrate your class reunion, create a permanent place in the community for yourself, your children or grandchildren, promote your business and show your community support, memorialize a lost loved one, honor a soldier or service-person with a patriotic thank you. For more information, email peeblesh@mishawaka.k12.in.us or call 574-254-4523.
