

SCM Event Guidelines

Until further notice, School City of Mishawaka will utilize the following guidelines for all fine arts, extra-curricular, co-curricular, and athletic events in respect of the recommendations made on Wednesday, November 18, 2020 by the St. Joseph County Department of Health with support from St. Joseph County Unified Command:

- Those permitted to attend events include the participants, directors, coaches, and personnel needed to supervise and conduct the event.
- Spectators permitted to attend events are exclusively limited to the parents/guardians and siblings of the participants. This includes step-parents and step-siblings.
 - Unfortunately, this does not include grandparents, aunts, uncles, cousins, or other relatives.
 - Additionally, this does not include students not directly participating in the event or general fans.
- Those qualifying for tickets with the guidelines above are not permitted to sell or give unused tickets away.
- All spectators will be required to wear masks and social distance at all times.
- For athletic events, these guidelines are to be followed by all visiting school teams and spectators.
- No visiting cheer teams are allowed until further notice.
- We risk moving to no spectators and/or no events should we have issues following this guidance.
- Live streaming will be available for some events.
- We must all do our part to stop the spread of COVID-19 in our community.

Please note, guidelines for certain venues could be altered due to size and space.
