

2023 MISHAWAKA SPRING TRAINING BASEBALL CAMP

What will it take to be one of the elite teams in the state? **PRACTICE! PRACTICE! PRACTICE!** Our Cavemen won baseball sectionals three out of the last six seasons, and we were regional champs in 2019. We're inviting all elementary and middle school players to participate in our 19th annual Spring Training Camp. These workouts are great for the development of future Cavemen that add to the continued success of the program. Each player will go through a series of drills where they will learn how to improve hitting, pitching, and defensive skills. This camp will have workouts similar to what the high school players practice in order to improve their baseball skills..

The camp will be held at Mishawaka High School in the West Gym. Each camper may bring tennis shoes, a glove, bat, helmet, and any other equipment they may need. **(MAKE SURE CAMPER'S NAME IS ON EACH ITEM)** We will supply any missing items. You can register with the form below or at the camp. Please come 15 minutes early and enter through the west doors at MHS. The dates and times are as follows:

February 4th	10:00-12:00	Grades K-8
February 11th	11:00-1:00	Grades K-8
February 25th	11:00-1:00	Grades K-8

The cost is \$15 per day. Checks made payable to: **Mishawaka Baseball**

You can register at the camp or mail the registration form and check to:
