**DAVID SPALDING, M.D.**

Jan. 22, 1938-Feb. 13, 2018

**David Spalding, M.D., 80**, of Mishawaka passed away peacefully surrounded with love by his wife of **58** years, **Rosemary (Zirille) Spalding '56** and other members of his family. **David** was the son of **Dr. Wendell** and **Mary Spalding**.

**David** earned his MD degree from Indiana University in 1963 and joined his father in his family practice in 1966 and worked with him until his father's retirement in 1973. **David** absolutely loved practicing medicine and in his 34 years of practice, he tended to the needs of thousands of patients with his compassionate care.

In 1964, **David** served two years in the United States Public Health Service in Washington, D.C. Through the 1980's, he served as a preceptor for St. Mary's College School of Nursing, the St. Joseph Medical Center Family Practice Program and the Ivy Tech Physician Assistant Program. **David** was on the active staff of St. Joseph Hospital from 1966 until his retirement. He was honored by Indiana University as "1988 Family Physician of the Year."

**David** loved Mishawaka and supported his community in a variety of ways; as a volunteer physician for the Children's Dispensary, as football team physician for both Mishawaka and Marian High Schools. He and his wife welcomed foreign exchange students into their home. **David** and **Rosemary** were long time loyal members of the MHS Alumni.

Together, the **Spalding's** were great Chicago Cub fans and planned their winter vacations in Arizona for the Cubs spring training, as well as a devout IU basketball fans. **David** loved gardening and maintained a vegetable garden on his garage roof.

Memorial contributions may be made in **David's** name to the Poor Hand Maids of Jesus Christ; St. Monica Church; or the Mishawaka Education Foundation.

**She remembers "Dream Backfield".....**

*"I remember so well the "Dream Backfield" of 1944 and many of it's members from my 1945 class who were part of the team. I was a faithful band member with Max Kraning's direction and our little club had it's own celebrity...Anna Mae Ehrmin '45 on piccolo in "Stars and Stripes Forever."*

*Not many of us left....I live across Lake Washington from Bill Gates! I keep busy in my retirement community with bridge games, etc., but I am still happy to hear about my former classmates and how the MHS Alumni is doing."*

A letter from **Shirley (Powell) Weishaar**, class of 1945  
Mercer Island, Washington

**She Weathered Hurricane Erma.....**

*"I would like to say hello to all my classmates and friends from the MHS Class of 1956. Thanks for stepping up to get our newsletter back to being about MHS Alumni. Included is a little extra to help."*

**Susan (Myers) Nitsos '56**  
Tierra Verde, Florida

**Stan and Snow Go Together.....**

This editor received a picture via e-mail of a wiry old man in Battell Park in Mishawaka, bundled all up, braving those minus zero days in January. 14 inches of snow on the ground, his feet strapped to skis and ski poles in his hands. Who is this brave ole' soul out on a day everyone else is inside trying to keep warm?

None other than our own **Stan Ross**, MHS Alumni member, class of 1949 and **88** years young, enjoying great conditions for cross country skiing. A true outdoors lover, **Stan** swims, jogs or bikes on a daily basis, depending on the weather. At the alumni meetings, he is often on the dance floor doing his thing. **Stan** also is the chairman of the MHS Alumni Christmas Food Drive.

**Small World.....**

When **Dick** and **Emilie (DeMeter) Miller** mailed in a generous donation, **Emilie** noticed that her sister, **Dorothy Demeter's** address was the same as this editor's address except one apartment number was **131W** and her Sister's was **130 W....just next door.**

The **Miller's**, **Dick '49** who just turned **87**, and **Emilie** reside in Columbus, Ohio where **Dick** is a retired professor from Ohio State University. An all-State football player at MHS and a track star under the legendary coach, "**Dutch**" **Thurston**, he still keeps in playing shape by playing volleyball twice a week. He gardens with one daughter and bakes bread and cookies with the other daughter every Wednesday.

**Up To Date With The Hocker Family.....**

**Jack '48** and **Betty Jo Hocker** live in Venice, Florida. **Jack**, **88** years old, finally gave up playing 12" slow pitch softball just two years ago. In 1991, his team won the national championship on the 60 years or older division. The team traveled all over the United States to win the title. **Jack** played center field for the MHS baseball team under coach **Ward Baker** for four years and later independent baseball for the legendary **Pop Frankle**. **Jack** is a graduate of Franklin College.

**Jerry '49** and **Joan (Hocker) Gerard '50** have recently moved from Granger to Mishawaka. **Jerry**, a Ball State graduate retired from teaching at Mishawaka High School in 1999.

**Rich '49** and his wife, **Betty Lou (Mills) Hocker '50** reside in Niles, Michigan and he is retired from Reese Products in Elkhart. He also played varsity baseball for the Cavemen. **Rich**, an avid outdoorsman who loves fishing, recently had a knee replacement but will be ready to go full speed again this spring.

**Class of 1948....**Don't plan anything during the August meeting of the MHS Alumni! You will be pleasantly surprised! Nothing ever like it before..... Trust me!

### Back On The Court Again....

*"After a couple of years recovering from shoulder problems after surgery, I'm back on the racquet ball courts. I'm 70 years old now but still hold my own with the younger guys."* **Bill Watkins '58** moved to Greer, South Carolina several years ago and looks forward to a visit back to Mishawaka to see a lot of his old friends.

### Norm Is Back In Town....

Since his wife died, **Norm Woollet '50** has moved back to Mishawaka from Sebring, Florida. He claims to have the cleanest sidewalks in town with his trusty snow blower. **Norm** does volunteer work with Hospice and hopes to make an alumni meeting soon. Thanks **Norm** for your hefty donation.

### 90 Years Old And Still Jumping....

*"For my 90th birthday in October 2017, I went sky diving in Michigan City, IN to full fill my 'Bucket List'. It was a wonderful experience and I'd love to do it again. My grandson shared the dive with me, but he admitted he was a little scared. Most of my family and lots of friends were on the ground to watch and they were holding their breath."*

**Mary (Chamberlin) Vellman '45**

### WOW!!!

Thanks to **Dale Strombeck '55** for his gigantic donation to the MS Alumni. **Dale** lives in Mishawaka and noted, *"I want to make sure the alumni stays alive."*

### Enjoying Her Retirement....

**Colleen (Davis) Lerner '43** graduated from Memorial Hospital of Nursing and lives in South Bend. She said, *"I'm retired now and enjoying every minute of it."*

### A Great Florida Visit....

**Joe '61** and his wife, **Martha (Eminger) Emmons '61** returned to their home in Sun City, Arizona from their visit to Lake Okeechobee, FL where they visited **Martha's** brother, **Ross "Bill" Eminger '67** and his wife, **Nancy**. They also had a nice visit with long time friends, **Larry Zehring '61** and his wife, **Kay '60** while in Florida. **Martha, Bill** and his sister, **Elizabeth (Eminger) Stoll '70** all graduated from MHS as did their parents. **Elizabeth's** daughter is also a graduate, and who knows? Maybe one day there will be the 4th generation of MHS graduates in the family.

### Purchased The New MHS Directory....

**Kathleen (Gunnnett) Pamachena '56** who lives in Elkhart, IN made a generous donation to the alumni and said, *"I also bought the new MHS Directory"*
