MHS Honor Students....

Congratulations to **48** students who were inducted into the National Honor Society recently. Another example of hard and dedicated work has it rewards. Kudos to all the MHS teachers and administrators who helped these students, for a job well done.

Looking Forward To Spring....

Don Wachs '48 from Stevensville, Michigan missed the last meeting due to a short stay in the hospital for tests, but he is anxious to get back on the golf course and get ready for his buddies, **Joe Stuller '48** from San Antonio, TX and **Jim Schmidt '48** who winters in Winter Haven, FL when they come back for the summer. **Don** said it was nice to read about alumni again in the newsletter! *"My sister-in-law **Janet (Stanton) Byer '54** has move from St. Paul's to The Willows in St. Joseph, MI to be closer to her son who lives there."*

Tom Roggeman Moves West.....

That hard nosed Caveman football player and who went on to star for the Indiana Hoosiers in Bloomington and upon graduation served his country. It was while he was in service, playing on a special service Army team, **"Papa Bear" George Halas** spotted him and signed him to a contract to play with the Chicago Bears. After his pro playing days were over, he became a very successful head coach of South Bend Washington football team.

Tom, was the 1950 MHS senior class president and resided in Granger after his playing days and has recently moved to an assisted living center in Chandler, Arizona to be near his daughter, **Pam**. For those who would like to drop **Tom** a note, here is his new address.

5 Star MHS Alumni.....

When the ball stops bouncing, you'll have to look a long time to find someone to match the career of **Sharon Versyp**....MHS class of **1984**. The 5'9" point guard led the Lady Cavemen to a 24-1 record her senior year and was named Miss Indiana of Indiana in 1984. She led her Indiana All-Stars to two victories over the Kentucky All-Stars. **Sharon** was an outstanding volleyball player also, as she led her team to two state finals, winning the championship in 1983. She is a member of the Mishawaka Hall of Fame.

After her graduation from MHS, **Sharon** enrolled at Purdue University where she became a starter all four years for the Boilermakers. She was named to the All Big Ten team in 1988 as well as Athlete of the Year.

Her coaching career began in 1986-87 as an assistant coach at the University of Louisville for three seasons. She then became head coach at Maine University for five years. Next stop was at Indiana University for one year before she accepted the head coaching job at her alma mater, Purdue University in 2006. After 11 years at Purdue, her record is 237-133 (.641), nine of those years, she also had her teams in the NCAA Tournament 9 times. She has directed her Boilermaker team to four Big Ten Tournament championships.

On March 6, 2017, **Sharon** announced that she had been diagnosed with a form of breast cancer. A statement from Purdue said she is still discussing treatment options with her doctor, and is very encouraged by the prognosis.

Sharon said, *"I feel incredibly blessed to have caught this in its earliest stage and cannot not stress enough the importance of regular screening. With the support group around me, from my family, my staff and our Purdue family, I know I'll beat this and come back stronger."*

Great Memory....

In October of 2017, **Marlene (Lechtanski) Baker '61** was able to go to Rome, Italy on a Pilgrimage for 10 days and was fortunate to see the **Pope** up close. She said, *"A trip I will never forget."* **Marlene** was employed by the Mutual Bank for many years and her husband, **John '59** was the wonderful greens keeper at the Eberhart-Petro golf course and the son of that great MHS teacher and coach, **Ward Baker**.

A Day With Betty In Israel.....

Betty (Stein) Guttman, class of 1945, moved and made her home in Israel shortly after graduation. Your editor recently had this conversation through the miracle of e-mail. **Betty** lived directly across the street from the high school and her father owned the Red Goose Shoe Store on the Northside of Mishawaka.

"My family and I are fine. The family is growing with the addition recently of several great-grandchildren. Aside from household duties, my routine includes several classes each week and some volunteer work with an organization that sponsors educational facilities from day care centers and residential schools through college. I try to do some gardening and genealogical research. Of course, there are often family events. Although February here is usually one of the cold months, right now we are having a heat wave with temperatures in the high sixties and low seventies.

In the last month two young men were killed by terrorists, one a father of four and the other, a father of six. Although my own life is very quiet and ordinary, when terrible events like those happen, the whole country feels the pain; however, afterwards, people continue with their usual routine."

Notes From The February Alumni Meeting.....

Bless all those **96** people who got out and braved what might be the worse day of weather for the season. Snow and icy roads was the talk of the day! **Tom Faulkner** had a beautiful broasted chicken lunch and the entertainment was terrific. **Heather Braovdakis**, a professional symphony singer from Chicago, sang her heart out with popular show tunes to the delight of the crowd. She had them dancing in the aisles. Many of the attendees said, **"Bring her back!"**

Half and half winners were:

1st place...**Elsie Raes '43**.... \$30

2nd place...**Leonard Nichols '63**....\$20

3rd place...**Phil Miller '64**....\$10

Thanks to **Sara Burks**, the new F.O.P. manager for her help with the meeting and having the snow in the parking lot plowed out. The March meeting will bring back one of the alumni's favorites, **The Paul Decker Quintet**. See you there!

Condolences.....

To **Mariann (Kocsis) Martin '48** who resides in South Bend, over the loss of her son, **Mark Stephens**, MHS class of 1967. **Mark** resided in Greenfield IN. In leau of flowers, donors may make memorial contributions to the MHS Alumni. Mail their memorial requests to John Moore, 3602 S. Ironwood Drive Apt. 131W, South Bend, IN 46614 .

Good Idea!.....

Janice (Eckenberger Conlon '57 sent a note along with her generous donation. *"Enclosed is my donation. I will send copies of page 3 of the February issue (request for members to join or renew their membership) to my classmates. Hopefully that will bring in some new members."*

Old Miskodeed Program Renewed.....

Remember when we offered old Miskodeeds to anyone who wanted them? **Rod Spear**, president of the alumni has secured the following year books and they will be available on a first come-first serve basis to anyone who would like them. The books are free, but reimbursement of postage cost would be appreciated.

Looking For A Good Book?.....

The Mishawaka Public Library has a great book for readers who enjoy local authors. Try this one on for size.

"A Full Life" by **J. E. Arata** can be found in the Heritage Section. The author is the late **Dr. Justin Arata**, MHS grad from the class of **1939**. A noted physician, **Justin** lived an unbelievable full life, to say the least.

Thanks to the **1954** class who have discontinued their activities and donated their remaining funds to the Alumni.

Cavemen Lose Their Football Coach....

For 10 seasons, head coach **Bart Curtis** has directed the Mishawaka Cavemen on the gridiron and for ten seasons the Cavemen have had winning seasons. **Bart's** overall record at MHS is 90-35 with a 201-102 mark in his 27 years as a high school coach.

Prior to taking over the reigns at Mishawaka, he coached at New Prairie High School and now has accepted the head coach job at Warsaw High School. While at Mishawaka, he won six sectionals, one regional championship. The high point of **Bart's** time at MHS was in 2012 where the Cavemen ran off nine straight wins before losing to Indianapolis Cathedral for in the Class 4-A state championship. It was this year that he was named the 2012 Indiana Football Coaches Association's Coach of the Year.
