

Mishawaka High School

An NCA CASI Accredited School

April 12, 2021

Dear MHS Family,

We are pleased to share that the Indiana Department of Health (IDOH) has announced anyone age 16 and over is now eligible to receive the COVID-19 vaccination.

Please [click here](#) to review the IDOH's release on vaccine eligibility. In this resource, you will learn more about the COVID-19 vaccine, what to expect after vaccination, and how to register if interested. *An important note: Students younger than 18 years old must make an appointment at a site that offers the Pfizer vaccine as it is the only vaccine authorized for 16 and 17 year olds.*

Please keep in mind we are sharing this information solely out of the responsibility of keeping our school community informed and that receiving the COVID-19 vaccination is NOT mandatory rather a decision left to the discretion of parents/guardians on what is best for their child(ren).

Thank you!

John Ross
Principal
Mishawaka High School
